ESSAY/AUTOBIOGRAPHY: On separate paper, write a brief autobiography to include a description of your career ambitions in the natural resources field and why you desire a college education. Explain your interest in wildlife resources, the environment, coastal resources or related topics and why you will be good investment if you are awarded this scholarship. (No more than three pages typed).

TOPICAL ESSAY: The applicant will write a 1,200 word (approximate) essay on the following topic:

“Plastic waste...almost 5 billion tons of it dumped into the environment since the 1950s. Why is this a global problem? Is paper really a better alternative? What are some ways we as individuals can help reduce the growing mountains of plastic debris on our planet and in our oceans?”
